BRIEF ABSTRACT OF LETTER.

Forwards letter No. 293/C.S of 23-12-07 from the Registrar Co-operative Societies, requesting that, as it may take some time for the passing of the rules, relating to the grant of loans to Co-operative Societies, he may, in the meantime be authorised to disburse such loans on the lines of the present draft rules, and states that under the circumstances mentioned in his letter, his request may be complied with.

NOTES AND ORDERS.

In G. O. No. 78 2513-4/B. 48-06 dated 26-11-07 a sum of Rs. 15000 has been directed to be placed at the disposal of the Rev. Comr. for the purpose of granting loans to such of the Co-operative Societies as may require them. The Comptroller, who was asked to state what amount could be placed at the disposal

of the Rev. Court. During the current year, has replied that the whole of the amount sanctioned could be placed - The file on the subject is under circulation among the Councillors - The notification publishing the draft rules on the subject for the information of the public has also appeared in the Gazette - One copy put up -

The Registrar says that time will be needed for passing the rules through the necessary formalities in the Secretariat, and much time, which could otherwise be profitably employed, will be lost; that the announcement made by the Secy in his address to the last Representative Assembly has already attracted notice and applications are being made to him for loans; that he does not think that there is any need to wait till the rules come into operation, that in British India loans were begun to be given before any rules were framed. He therefore requests that, as under Section 26 of the Co-operative Regulation, the Govt. has power to recover its dues as arrears of land revenue, irrespective of the rules, he may be authorised to grant loans on the lines on which the draft rules have been based at present, and the amount placed at his disposal in the Harwar Treasury. The Rev. Court recommends that this request may be complied with.

Sir,

I have the honour to acknowledge the receipt of your Memo No. 6481 of the 20th instant forwarding a copy of G.O. No. 2867-8/ B. 48-07-8 dated the 20th December 1907 in the matter of Rs. 15,000 being available during the current year for granting loans to Co-operative Societies, and to state that the rules promised in G.O. No.F1 2513-4/B 48-06-5 dated the 26th November 1907 do not seem to be ready yet for issue. The Mysore Gazette of the last week does not contain the draft, and there will be no issue of the Gazette in the next week on account of Christmas Holidays. Even if the rules appear in the first week of January 1908, time will be needed for passing them through the necessary formalities in the Secretariat, and much time which could otherwise be profitably employed will be lost. The announcement made by the Dewan in his address to the last Representative Assembly has already

attracted notice and applications are being made to me for loans. I do not think that there is any need to wait till the rules come into operation. In British India loans were begun to be given before any rules were framed, and as under Section 26 of the Cooperative Regulation, the Government has power to recover its dues as arrears of land revenue, irrespective of the rules, I beg to urge that I may be authorised to grant loans on the lines on which the draft rules have been based at present, and the amount placed at my disposal in the Huzur Treasury.

I have the honour to be

Sir,

Your most obedient servant,

De. Shamu Rao
